Shaun has asked me to post at 10 on the web site. He asked us to inform our Congressionals that was happening, but we did not provide it yet. Of course, we will if asked.

All, this information will be released this morning. A lot is happening very quickly. We are explaining this to Senators and Governor in Durango at 10am this morning. Prepping for a public meeting at 6pm and issuing on web site this morning. My distribution is truncated here, so please forward to those in EPA who need to know this. Not ideal, I know, but consistent with Congressional and Media updates yesterday afternoon, so should be no surprises, just lots of questions.
